DOMINION VOTERS' LIST REVISED THIS MONTH

Commencing April 1 revising officers in the various constituencies were scheduled to revise the voters lists of the province, the revision continuing throughout the current month. The revision is carried out annually prior to the courts of revision sitting during May and June at various points.

During the present month any person may protest against any name on the voting list, and must supply in written form his complaints regarding the person desired to be removed. When this notice is received, copy is forwarded to the party objected to, and he is notified of a time and place to appear in answer to the objections. If the person whose name is objected to does not appear at the time stated, he is liable to have his or her name deleted from the list. On appearing before the revising officer, the parties will be heard and revising officer may either erase the name objected to or allow it to stand.

William McEla is revising officer for the electoral district of Medicine Hat. Forms may be obtained from him and the lists will be revised at sittings to be held throughout the constituency after May 15.

HUSSAR

HUSSAR, April 3.—On Friday, 2nd of March, Miss Laura Houshorne became the bride of Mr. Henry Babington of Drumheller. These are well known and highly respected young people of this community. The bride resided on the Sunshine Farm. On Tuesday evening about thirty-two of their friends gathered at the Houshorne home for a charivari of the young couple, whom they took completely by surprise. A jolly evening was spent playing games and dancing.

Frank, Dool and Graham Montgomery moved to Calgary on Thursday. Mr. Geo. Wendland accompanied them to visit his wife, who was ill in the Holy Cross Hospital. Later word came that Mrs. Wendland was very ill, and Jason Bell took Mrs. Wendland on Thursday afternoon to see her mother. Mrs. Wendland passed away at the Holy Cross Hospital at six o'clock on Monday after noon. The funeral will be held in Calgary on Saturday.

Word arrived of the death of Mrs. Lieng's mother of Mrs. J. Dundas, on Saturday, at her home near Lough. Mrs. Lieng was about 74 years old and had been fairly well until quite recently.

On Wednesday evening the Hussar Rangers and Guides held a joint meeting for final arrangements for the Jamboree. They decided to buy hats as a company project. They decided to have the Rangers meet separately with Miss Eleanor Moffat, supervisor for the next few months. After the Rangers withdrew, Guides reviewed the Guide laws and promises. A break game involving the knots was played. A recess of games was taken. Almost all guides were present. The next meeting will be a joint meeting at Mrs. T. Macdonald's and the evening will be spent in first aid instruction and practice.

The Board of Trade Needs YOU!

P. D. McLaughlin, president of the Board of Trade, stresses the need for increased attendance at the bi-weekly luncheon meetings. The year is already well advanced and as yet very little business has been accomplished. No satisfactory explanation can be given for the apparent lack of interest in the Board of Trade. Last week twenty-five members promised to be there—about twelve of that number backed out. That attitude of "let George do it" must be eradicated.

No one will gainsay that the Board has accomplished great things in Bassano, viz., the swimming pool, hundreds of trees lining the streets, the annual Sports' Day, the irrigation in the town, and so on. It is no time to lie back and say, "We have done pretty well, let the committee carry on."

Every member should be a committee member, to encourage the growth and enlarge the scope of the Board of Trade. The Board needs you.

CLUNY NOTES

CLUNY, April 2.—The Girls' Basketball season started off with a bang to-day. There were just three casualties in the first fifteen minutes—one chair of broken glass, one nose bleed and a wrenched ankle. However that is merely a beginning and from the energy and enthusiasm displayed, we are quite sure that Cluny will have a mighty good basketball team this year.

Soft ball is starting again. The girls are having a new ball and are the captainship of Mabel Jones, they will back up from no outside team.

The regular meeting of the Brownies was held at the home of Mrs. W. R. McLean, (the Brownie Leader) on March 27th. They had a very enjoyable meeting. The next meeting will be held at the Cluny School on April 10th.

The regular meeting of the First Cluny Troop of Boy Scouts will be held in the Cluny School in Friday, March 26th with an attendance of seven.

The meeting opened with the flag being broken by Jack Burt, the leader of the Wolf Patrol. The Scouts were inspected by the Scout Master, W. R. McLean, and dispersed to their coroners. A code test followed with much improvement being shown by the Scouts. The game period was next with the Panther Patrol on hand. The contribution was handed in towards buying uniforms. At the close of the meeting the scouts were invited to the home of O. W. Beattie, where cake and refreshments were enjoyed.

The regular meeting of the Women's Institute will be held at the home of Mrs. E. Reilly on Thursday, April 1st at 8 o'clock. Mrs. A. Lay of Magrath is visiting Mr. and Mrs. W. R. Callison and is busy meeting old friends.

The Department of Unemployment Relief advised that all relief accounts for March had been closed. A letter was read in which a taxpayer made arrangements to pay his share under the consolidation of taxes arrangement.

PATRICIA NOTES

PATRICIA, Mar. 30.—Lola Carver
and Layton Krueger held a very suc-
cessful Auction Sale last Tuesday;
barges especially bringing good prices.

Steve and H. Zeer received the
and message of the death of their
brother M. Zeer of Warden, who
was killed by the overturning of a
load of hay last week. Burial was in
the Duchesne cemetery last Sunday.

A reception was held in the Prince-
cess School house last Thursday for
the Carvers and Kruegers families who
will soon leave our midst.

The evening was spent in dancing
and cards. The best wishes of the
community go with them to their
new homes.

We're sure glad to see Bassano
enter a flag ball team in the Elstern
League. We predict that Geo. Le
Page will lead the league in base-
stealing.

The annual Base Ball Meeting will
be held next Saturday and a good at-
tendance is expected from reports.
Patricia will have a good team,
having signed up some new players
from the "Grasshopper" League.

"Lafy" Bishel was a Medicine
Hat visitor last week, and took in one
of the Medicine Hat-Glitter
bucky games.

TESTS SHOW SILAGE KILLS WEED SEEDS

Ensiling of weed seeds under proper
conditions destroys their ability
to germinate, according to experi-
ments conducted at Manitoba Agri-
cultural College. These tests were
made over a period of years by Dr.
G. P. McNettie, Professor of Agronomy,
University of Manitoba, and W.
Tidwell, M. Sc. assistant on weed
research, under the direction of and
financed by the line elevator opera-
tors through the North West Grain
Producers' Association.

Tests were conducted covering the
following ordinary western weed
seeds: Ball mustard, Hairy green
chickweed, Broad Leaf Plantain, Cow
Cockle, Pale Fox, Hares ear mu-
stard, Indian mustard, Lambs quar-
ters, Leafy spurge, Perennial Sow
thistle, Red Root Pigweed, Russian
Pigweed, Shepherd's Purse, Stink
weed, Tumble Weed, Wild Oats,
Wild Buckwheat, Yellow Foxtail.

The weed seeds lost their ability
to germinate after two weeks en-
silage. This new survey will do much to
aid the assistance which has been
given farmers in their fight against
weeds.

PLEA FOR SUPPORT OF CANADIAN CANCER FUND

Readers of the Mail are asked to
give their generous support to the
King George V. Silver Jubilee Cancer
Fund for Canada, now being con-
ducted throughout the Dominion.

During 1932 there were 10,446
deaths from cancer. In 1926 there
were 7,614 deaths, showing how the
death rate is rapidly increasing.

Cancer today is the second leading
cause of death being second only to
heart disease.

It is essential that every one in
Canada should enter into the fight
against this dread disease and there-
fore that every individual who can
should contribute.

The Fund will be used for research
as well as to help those already suf-
fering from cancer.

Readers are asked to send their
contributions to Lady Beesborough,
Ottawa, who will acknowledge it by
means of a card bearing the photo-
graphs of Their Majesties, the King
and Queen.

Envelopes, addressed to Lady Bees-
borough, and marked "Cancer Fund"
will be carried in the mails free of
stamp.

GRASSHOPPER MENACE

No farmer can afford to ignore the
grasshoppers this coming season.
Each farmer should be guided by the
numbers of grasshoppers which were
present on his farm during July and
August last year.

Where the road-side, grasshopper, was abundant
along roadides, headlands and over-
grazed pastures, particular care must
be maintained to see that the young
hoppers, hatching from these eggs,
do not spread into nearby fields.

The seriousness of the outbreak
in any given place will depend largely
on the weather during the spring.

If the season should be as dry and
warm as in 1934, the grasshoppers
will cause considerable trouble and
crop loss. On the other hand, if
there is a week of cold, wet weather
soon after the young grasshoppers
hatch, the danger will undoubtedly
be greatly lessened.

It is recommended that all land
to be cropped, except that summer-
fallowed in 1934, be shallowly culti-
vated as soon as possible, particularly
that in the areas more severely in-
fested. The object of this cultiva-
tion is to expose the eggs on the sur-
face of the soil so that they will dry
out instead of hatching.

SMART, NOT BRUTAL

"The principle difference between
the criminal of today and the criminal
of 15 years ago is that the old-
timers took pride in the fact and
boasted that they never carried a
gun. They liked to have a reputation
for being smart, not brutal!"—
The Toronto Star.

BOY SCOUTS TO CANVASS

Boy Scouts in uniform will canvass
this district on Saturday April 6th
or Saturday April 13 for the King
George V Silver Jubilee Cancer Fund
for Canada, according to word re-
ceived here from The Provincial Head-
quarters in Calgary.

At each home or place of business
the scouts will leave an envelope
bearing the name and address of the
Committee of Beesborough. Those wish-
ing to assist this worthy work will
then enclose their contribution, seal
and mail the envelope. No postage
is required.

They will then receive a personal
acknowledgment from Lady Beesbor-
ough from Ottawa.

A \$150,000 CHEQUE

(by Roy Smith)

While in Calgary last week I ran across that well-known Stavelay rancher, Harry Streeter.

Mr. Streeter's ranch of 14,000 acres for which he paid over \$100,000, lies in the foothills west of Stavelay and compares very favorably with that of H.R.I. the Prince of Wales.

In the good old days of 1919, Mr. Streeter sold 1,000 head of beef to P. Burns and Co. at \$150.00 a head, receiving in payment a cheque for \$150,000.00.

It seems that Mr. Streeter had been promised the best set of furs procurable in Calgary "when the beef was sold" and Harry, with his greasy hat and old overalls, accompanied his wife to a well-known firm. They made their selection and Harry tendered his cheque for \$560.00. The clerk apologetically refused the cheque and told Harry that he was not very well known. Harry immediately pulled out the \$150,000.00 cheque of P. Burns from his pocket and placed it before the astonished clerk with the remark "Take it from that, then. If you know him any better."

This is only one of the many reminiscences I got from Harry as he tipped that greasy hat on the back of his head while he rolled another pill and indulged in another chuckle.

Mayor H. O. Bredin is progressing favorably at the Banany Hospital after being confined to bed for the past two weeks.

BORN — A son to Mr. and Mrs. Louise Hong of Clancy, on April 2nd.

The local soccer football fans have been stretching their winter stiffened limbs lately on the battlement just north of the school.

A week ago on Thursday the high school boys defeated a pickup eleven from around town by a score of 2-1. In a return encounter last Wednesday, they fought to a scoreless draw.

Many aches and pains were discovered after the games but the shik kickers never let their tempers run away with themselves.
